Listing among the chosen few college names for Commerce in the state of Punjab is real honor for our college's name.

Our college indeed has developed a strong forte in Commerce over the years.

And we need to strengthen this Department more qualitatively and student friendly to build more on this prestigious recommendation from such a prestigious newspaper.

What's more important is this feature has been covered in all the northern states where Tribune is circulated.

Do convey my appreciation to the Commerce Dept head and all the faculty members of the dept.
