1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

GNW aligns its academic activities with the comprehensive Academic Calendar issued by Panjab University, Chandigarh. This calendar outlines schedules for teaching, examinations, semester breaks, and vacations. To supplement this, the college's Internal Quality Assurance Cell prepares its own planner of events, which is shared with all stakeholders to ensure smooth execution of academic and extracurricular activities.

- For conducting effective Continuous Internal Evaluation, teachers prepare teaching schedules, tests and assignments in accordance with time table and academic calendar.
- During the orientation session held on the first day of the session, students are informed about the course curriculum, deadlines for assignments, dates for mid-semester tests and presentations, and criteria of assessment.
- Master Time table and departmental time tables are displayed
- The college is making all the necessary arrangements for providing transformative education in a structured manner with full accessibility and transparency.
- Internal Assessment is awarded at the end of every semester on different parameters like regularity, participation in class discussions as well as performance in MSTs
- The academic progress of the students is continuously monitored and measured through well-planned mid-semester tests, class tests/snap tests
- Students are also evaluated on the basis of their participation and performance in various co-curricular activities organized by different clubs and societies.
- Madam Principal conducts meetings with Teachers-in-charge, faculty members, Conveners of committees & societies, and non-teaching staff to ensure smooth execution of the scheduled activities in general and MSTs in particular. Code of Conduct to be observed is discussed in detail. Internal assessment is also much deliberated upon before final listing.
