Guru Nanak Khalsa college put forwards barrier-free environment where people with disabilities can move safely and freely and use the facilities within the built environment. The environment supports the independent functioning of individuals, We intend to advance a comprehensive and inclusive teaching and learning environment in which incapacitated students. The institute aims to designs its programs, administrations and activities accessible to the students.

Disabled friendly washrooms (Divyangjan Friendly Washrooms)

Disabled friendly washrooms are available in college for students with special needs. It is designed as per the standard specifications to accommodate people with physical disabilities. Several measures have been taken to ensure the college is chosen by students with disabilities for its appropriate amenities, infrastructure, supportive facilities and sensitized ambience to help them feel included and utilize their fullest potential. Disabled-friendly toilets on all floors The washrooms are provided with non-slippery flooring which makes it easy to walk for differently abled people.

Guru Nanak Khalsa College for Women is committed to creating an inclusive and accessible environment for all its students, including disabled (persons with disabilities). To ensure that every student has equal opportunities to pursue their education, the college has implemented a wheelchair facility on its campus. This facility aims to enhance the mobility and independence of disabled students, enabling them to move around the college premises comfortably and participate in various activities without any hindrance.
