Student mentoring system is introduced in the Institution with the sole purpose of catering to the needs of the students in the academic and personal level. Mentoring system is an essential feature to render equitable service to the students coming from different background. Mentoring system in the Institutes provides support to the students through advice and counselling, through friendship building, through re-enforcement and constructive role modelling. Thus, mentoring expands beyond teaching to advancement in the educational and personal growth of the mentee.

### **Objectives of SMS**

- To establish a first line of communication for each student with the institution.
- To create a sense of oneness among students with the institution.
- To identify and mitigate psychology societal and other issues faced by students and counselled there or refer them to experts for remedy.
- To make the students be self-aware of their strengths and weakness and take necessary remedial action.

### **RESPONSIBILITIES OF TEACHER MENTOR**

- The teacher mentor will perform the following functions
- Meet the group of students at least twice a month.
- Maintain a mentor-mentee detail progressive record of the student.
- Keep contact details of students and parents.
- Send letter to parents/guardian for parents meet and also contact parents/guardian if situation demands.
- Continuously monitor, counsel, guide and motivate the students in all academic pursuits.
- Advises students in their career development/professional guidance.
- Keeps contact with the students even after their graduation.
- Intimates HOD and suggest if any administrative action is called for.
- Maintains a brief but clear record of all discussions with students.
- To build relationship of natural trust and respect with the mentee.
- To identify slow learners and Advanced Learners for providing support and help to reach their full potential.
